JHF Tasks	Status
Tasmanian Health Justice Partnership Steering Committee meetings (now called Partners Meetings) including learning sessions, held monthly.	Partners Group meetings on 18 July, 22 August and 19 September.
Project Advisory Group meeting to take place twice a year.	Third Advisory Group Meeting held on 19 July.
Develop framework for project evaluation including evaluation modalities, evaluation milestones, communication and engagement strategy to attract on-going funding.	In Q2 , UTAS has completed an initial evaluation and formulated two evaluation instruments for clients and staff at partner organisations.
Finalise MOUs with a minimum of 2 Health and Social Services Partners.	MOUs signed with Hobart Women’s Shelter, Child Health and Parenting Service and Working Together Agreement signed with Child and Family Learning Centres.
Finalise sites for co-located service centres with a minimum of 11 sites across Tasmania (6 in South, 3 in North, 2 in North West) with lawyers spending a minimum of .5 days per week at each site over the 11 sites (amendment due to travel).	An initial 14 sites for JHF have been reviewed. 16 sites are highlighted on the map on the preceding page.
Develop modules for professional training (on how to recognise family violence and the tools to respond from a health and justice perspective), to be delivered to health and social services staff in Health Justice Partnership partner institutions across Tasmania.	One Training module revised and discussd with health and social service partners.
Provide legal advice in-place at the partner sites and provide information and referral services that benefit, (including dependants), a minimum of 4 000 people in collaboration with the Health and Social Services Partners.	Quarter 3 and Project To Date Data on preceding page.
Work with a range of training partners to create professional development remaining for students of nursing, pharmacy, midwifery, law, medicine, social work and finance to recognise and respond to family violence from both a health and justice dimension.	Training module developed with inputs from GP Training Tasmania, Emergency Medicine Education and Training Tasmania and discussed with three Just Healthy Families MOU partners.
8 Quarterly bulletins produced throughout project and provided to all stakeholders to include information on: services delivered, training delivered, case studies, key evaluation measures, achievements and challenges.	Q1, Q2, Q3, Q4 2022 and Q1, Q2 and Q3 2023 Quarterly bulletins produced.
Monthly Program Evaluation Reflections produced and distributed to Health Justice Partners.	Monthly Program Reflections commenced in Q2.
